Platinum Sponsorship is also available at the Vistage Executive Summits, please contact us directly for detailed information and floorplans.

Vistage Executive Summits and Open Days

Vistage Executive Summits and Open Days are high-impact business events, bringing together Vistage members, their colleagues and guests. They provide delegates with not just information but actionable takeaway value from world class speakers, which can be used immediately to keep companies moving forward.

- Network with 100s of business leaders across the UK
- Engage with industry influencers across the Vistage Community
- Stay ahead in the face of growing competition
- Challenge, develop and inspire your senior executive team
- Arm yourself and your organisation with the latest tools and knowledge
- Keep up to speed and hear from our expert speakers

What is The Marketplace?

Vistage Open Days offer member and non-member companies the opportunity to exhibit in The Marketplace, where you can promote your products and services and connect with up to 500 CEOs, MDs, business owners and senior executives on the day.

What are Vistage Networks?

Vistage Networks complement the Vistage group experience by connecting members with shared industries and interests. Networks enable Vistage members to access information and exchange ideas quickly with like-minded leaders at our events by meeting during the breaks. These Network breakouts are hosted at certain events by an industry leader or a subject matter expert and there are sponsorship packages available to run a Network breakout session at breakfast and lunchtime.

Typical Agenda

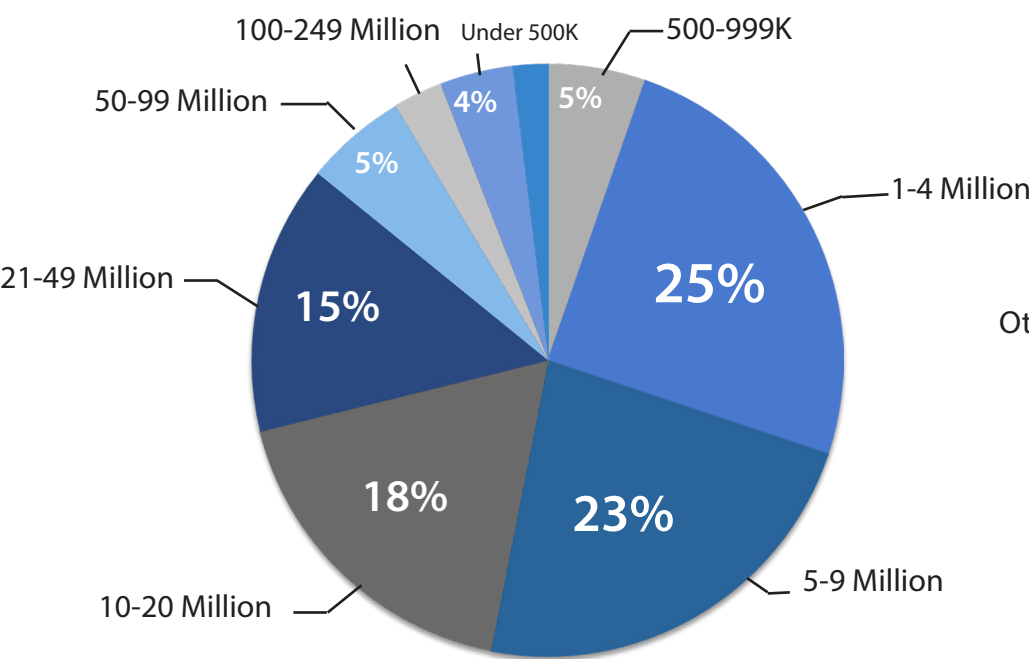

Vistage Executive Summit

A Vistage Executive Summit has over 5 hours of world class speakers and keynotes, a variety of breakout sessions and over 3 hours of networking within The Marketplace where up to 500 CEOs, MDs, business owners and key executives will be in the room.

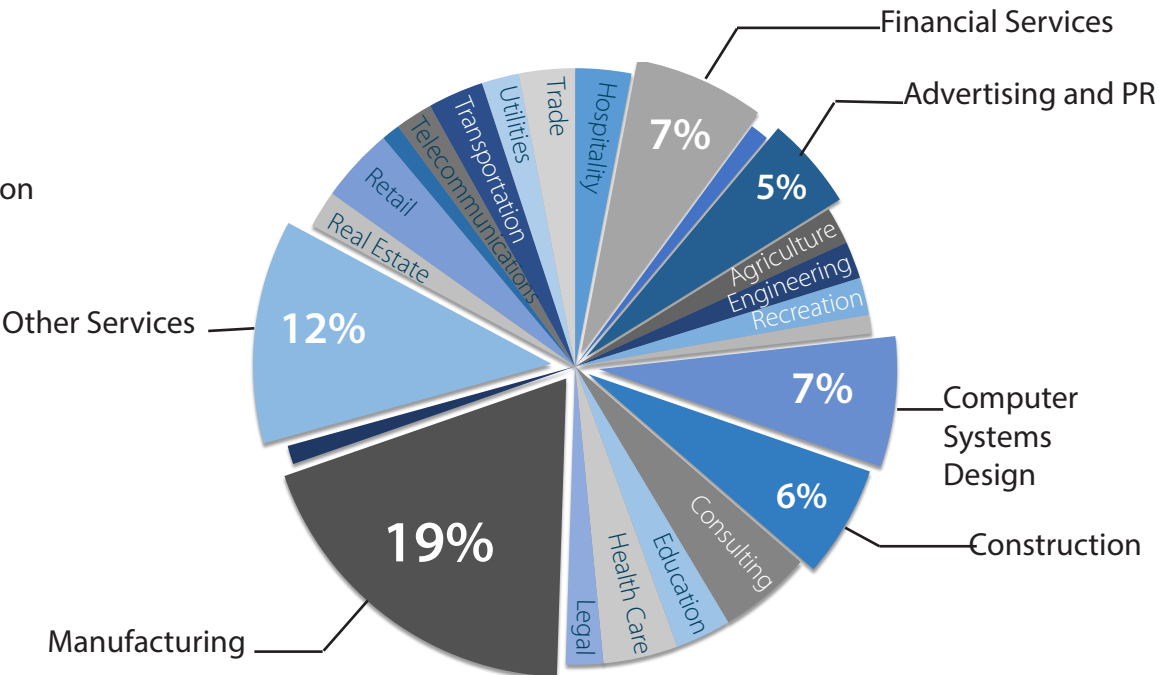

Vistage Open Day

A Vistage Open Day consists of world class speakers, keynotes and are half day or full day events with a variety of breakout sessions and over 3 hours of networking within The Marketplace where up to 300 CEOs, MDs, business owners and key executives will be in the room.

Talent / HR / hiring
Growth / expansion / acquisition

Why Exhibit?

How valuable would it be for you and your company to get in front of hundreds of CEOs and business owners with buying power in one venue, in one day?

Consider sponsoring a Vistage Event. Our members — a community of results-driven CEOs and business owners — are open to new approaches to growing their business.

They attend our Executive Summits and Open Day events seeking insights and perspectives from speakers, other members and the carefully curated business resources who sponsor our programmes.

Vistage sponsorship works because we present sponsors as thought leaders, not advertisers. Your sponsorship includes a range of marketing platforms: exhibition space, workshops, and digital and print branding.

Your first Vistage event will introduce you to hundreds of business leaders receptive to new strategies and with the buying authority to jump-start a business partnership with your company.

Vistage member companies experience 2.2 times the growth of average small and medium sized companies. If you are interested in being part of their success, please read on to learn more

Benefits of Sponsorship

- Form business partnerships with CEOs and business owners
- Gain brand credibility with people who matter
- Connect with an engaged audience who trusts Vistage-sponsored content
- Access to CEOs and business owners with buying power
- It's exclusive - Invitations to events restricted to Vistage members and a handful of qualified guest executives and colleagues
